

## Richmond's Bay Trail

Join a National Park Service park ranger on a guided bicycle tour that will introduce riders to some of the historic resources within the Rosie the Riveter/WWII Home Front National Historical Park. During the 10-mile round trip ride along Richmond's Bay Trail, cyclists will stop at several historic buildings and markers to learn about the social history of the home front during World War Two.

### **Starting location:**

Ride will begin promptly at 10 AM, on the west side of the Craneway Pavillion, at 1414 Harbour Way South. Note: Helmets required for all riders. Bring your own bike, water and snacks. **This event will cancel in case of rain.**
